CLUB NOTES

NO LONGER ANY THREAT OF RELEGATION

Another season, over which it would be kinder perhaps to draw a veil as far as League matches in the New Year are concerned, comes to a close with the visit of Cardiff City for the final match of our fifth successive term in the Second Division, with promotion certainly no nearer being achieved.

Unfortunately we have suffered almost the reverse experience since the turn of the year, with little success apart from our remarkable run in the F.A. Cup, which ended with Manchester United winning a sixth round replay at Old Trafford. It has been extremely disappointing that only one League match has been won at Deepdale since Derby County lost there by 2-0 on December 4th.

The following week our good record at Cardiff in recent years was improved by a 3-1 victory there, and our record then was 22 points from 21 matches. Sad to relate the subsequent 20 Second Division matches have yielded only 13 points from two wins (v. Bolton, away, and Carlisle, at home), and nine draws.

A study of this sorry record leaves no doubt about the main weakness, in that North End's record in those 20 matches was only 19, as against exactly twice as many by the opposition. It should be noted, however, that 15 of the 36 were conceded in three matches, leaving 21 for the remaining 17 games.

CLUB NOTES—*continued*

Thus the defence has been pretty consistent, as it was during the first half of the season, but since our fortunes began to ebb there have been 16 matches (out of 20) in which North End's goals aggregate was only nine, with seven occasions on which we failed to score.

Considering the number of draws in our dismal record (10 at home and five away) the frequency of odd goal defeats—that at Derby on Saturday was the eighth this season—it does not require much imagination to realise what a different and much happier story might have been told if North End had been able to score just one more goal in the majority of these 23 games.

That might seem to be asking a lot, but the point will be appreciated by those who have seen all or most of these games, there has never been any shortage of chances. The chronic weakness has been in not taking them. Futrhermore, we have been over-played very seldom indeed.

The outcome was a decline during April to a position of considerable anxiety, relieved by two spurts which produced three points each—and our salvation. Like Cardiff City we and our supporters were able to breathe freely again through Middlesbrough's luck running completely out.

It is, nevertheless, a regrettable anti-climax to our bright hopes when the season started, to be fininishing it in perhaps the lowest position ever occupied by North End in the League, the worst being 16th place in the Second Division.

OUR VISITORS—*Cardiff City*

The club and our supporters extend a warm welcome to Cardiff City, who, like North End, have had their ups and downs in recent years and come here thankful to be celebrating a successful uphill struggle to escape a drop into Division III. They made sure of this by winning at home by 5-3 on Tuesday against Middlesbrough who were fated to go down through this defeat. Promoted just after the last war from the Third Division (South) Cardiff were again elevated after five years in Division Two, and had enjoyed senior status for a similar period when relegated.

After three seasons the club returned to the First Division, but stayed only two years. This is their third season in Division Two since going down in 1961-2, one year after North End's departure from the top flight.

Founded in 1889 as "Riverside", Cardiff became a professional club with their present name in 1910 and earnestly undertook a pioneer role. They were members of the Southern League 1913-15, 1919-20, when elected to the Football League Division Two.

North End first played Cardiff City in February, 1922 at Ninian Park in Division One, losing 0-3. The biggest win was on December 13th, 1930. in Division Two, George Bargh, our present coach, contributing three goals, Bill Tremelling two, and Jimmy McClelland two to a 7-0 win.

OUR VISITORS—*continued*

Following is a record of post-war P.N.E. v. Cardiff match results:—

Year	*Division*	*home*	*away*	*Year*	*Division*	*home*	*away*
1949-50	II	3-0	2-3	1956-57	I	6-0	3-2
1950-51	II	1-1	2-0	1960-61	I	1-1	0-2
1952-53	I	2-3	2-0	1962-63	II	2-6	1-1
1953-54	I	1-2	1-2	1963-64	II	4-0	4-0
1954-55	I	7-1	5-2	1964-65	II	1-1	3-3
1955-56	I	1-2	1-3	1965-66	II		3-1

It will be noticed what a spate of scoring there has been in the last few years—67 in 15 matches; also that Cardiff have won at Deepdale four times! Ninian Park also has been a good hunting ground for North End our win there in December being our sixth on this ground since the war.

CARDIFF CITY PLAYERS

Dilwyn John (*Goalkeeper*).. As you probably guessed, he is a Welshman—born at Cardiff. An agile lightweight. Developed at Ninian Park, he made his League debut last season and has justified confidence in him.

Graham Coldrick (*right back*). Another home produced first-teamer who is making progress following his promotion last season. Born at Newport, Mon.

David Francis Carver (*left back*). Promising young defender who hails from Wickersley, Yorkshire. Started with Rotherham. Signed for Cardiff last January.

Gareth Williams (*right half*). No doubt about his Welsh extraction, but was born in London. Reared in football by Cardiff City, missed only four games 1964-65.

Donald Murray (*centre half*). A six-footer who belongs to Duffus in the North of Scotland. Signed from a Scottish junior club and established himself last term. A Youth international.

Barrington Hole (*left half*). Ever-present stalwart last season. Born Swansea. Capable constructive wing half who rose from Cardiff's junior ranks.

Gregory Farrell (*outside right*). A Scot who claims Motherwell as his birthplace, had a spell with Birmingham before coming to Ninian Park.

Robert Burnett Ferguson (*inside right*). A Northumbrian from Gosforth who spent seven years with Newcastle United before moving on to Derby County in October 1962. Transferred to Cardiff City last December.

George Andrews (*centre forward*). Born at Dudley, Worcestershire. Signed for the Welsh club last September. Spent one season with Luton, his only other League club, and that was as long ago as 1960.

Peter King (*inside left*). Hails from Worcester and formerly played for the club of his native city. A regular in the Cardiff first team. Industrious schemer.

Bernard Lewis (*outside left*). Another local product whose birthplace is Merthyr. Made 31 league appearances last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
